If you are a REALTOR® broker or salesperson and are planning to transfer to PWR please note the following steps:

- Cancel your membership with your previous Association in writing.
- Take your Supra Key to your previous Association and request that it be transferred, as you will be transferring the lease to PWR. Obtain a letter that indicates you were a member in good standing in 2008 and the date of your New Member Orientation.
- Take to your previous Association a serial number list of your current lockboxes (they have all your lockboxes on file). Your lockboxes may be remotely deleted by them if they are on a property.
- Return your SafeMLS token to your previous Association. When you join PWR, you will be issued a new token. For those of you who purchased your token then you will bring that with you upon joining PWR.
- Fill out PWR's Membership Application Form by applying online at www.pwr.net or print out the application from our Documents on Demand .
- Bring your completed application to PWR as well as your Supra key and list of lockboxes to either our Anaheim or L.A. County office for processing. (Call one of our offices to schedule an appointment). In most cases you are scheduled for a same-day appointment, please allow up to 1 hour for processing.

Please contact our office for the latest membership dues and fees, in most cases processing fees may be waived for transferring REALTORS®...provided you've held continuous REALTOR® membership.

The fees listed on our website at www.pwr.net are for new REALTORS® only.
